

a bright way to help!

here's how it works...

**forfundsonline.com** helps make fundraising easier!

And it's safe! Each participant receives a unique "Participant ID" which they can distribute to loved ones throughout the country. Grandma, Grandpa, Aunts, Uncles and Friends can then go online at

**forfundsonline.com** and shop!

Their purchases will automatically be credited to the proper organization fundraising program and participant!

as easy as 1, 2, 3!

1. Program Participants (or Parent or Guardian if under 18) will register at **forfundsonline.com** and identify the Fundraising Program ID and additional info needed to track sales.
2. Participants contact family and friends with email or social media and provide a unique link to the **forfundsonline.com** website to ensure the participant receives proper credit.
3. Family and Friends shop online, pay with credit card and the product ships directly to their door! The sales are automatically credited to the correct organization and participant!
